

Summer 2018

Cocke County Schools

Summer In-service Offerings

Below is a list of the dates various summer in-services will be offered. Some of these are “in house” and some of these are offered outside of Cocke County. If any fees or travel is associated with an offering listed below, you are responsible for securing and paying for the registration and travel. **District Registrations will close three days prior to the scheduled Inservice for materials preparation.** If you do not sign up – don’t just show up. **6 hours = 1 day**

****If the in-service is required and you cannot attend, you must email Dr. Amanda Waits (waitsa@cocke.k12.tn.us).**

*****Summer exchange days MUST be completed prior to Summer Exchange day on the calendar. Central Office will not be doing make-up summer exchange days. Failure to complete a Summer Exchange day will result in a Day without Pay.**

Summer 2018

Science Teachers:

Any of these workshops offered through ORNL are preapproved. Please visit the website below for more information. You are responsible for registration and any costs incurred. Please keep a certificate of attendance to give to your principal.

<http://www.ornl.org/center-for-science-education/k-12-educators.aspx>

Secretaries

Please contact Dennis Balch for dates this summer for data draining in ASPEN: balchd@cocke.k12.tn.us

Physical Education Teachers:

<http://openphysed.org/npei> This has been preapproved for 4 hours of Inservice credit. You will need to contact Rita for your other 2 hours of Inservice time.

New Hires

Newly hired teachers will be required to earn three summer exchanges days by completing the requirements of the New Teacher Academy. This will allow them to earn their summer exchange days without having to come on the green SE days in the calendar.

Personalized Learning for Teachers

Bloomboard

This year teachers will have the option of earning one summer exchange day through the personalized learning platform of Bloomboard.

<https://bloomboard.com/> Create a free account – earn professional development credit.

***Please note Micro-Credentials must be earned with students from the 2018-2019 school year. The credential must be earned by December 17th. You must submit a screenshot showing your Badge signifying completion to Amanda Waits or Patricia Shults.**
